Family Deposit:

A non-refundable deposit holds your child(ren)'s space in the school for the next school year, plus affirms your commitment to NCCS. If (re)enrollment and the deposit is received prior to April 15th, a discount is applied toward the tuition for each child. The \$100 family deposit will also be applied towards student tuition amounts – both regular and early registration.

Activity Fee:

The Activity Fee replaces families having to write multiple cheques/sending cash throughout the school year for various school activities and field trips. The fee can be paid in total at the start of the year or part of the monthly payment program. The Activity Fee does not qualify for Tuition Assistance or staff discounts. Parents of students who have Whitewater ski passes may have \$30 from the Activity Fee applied towards tuition (in January 2018) or may receive a tax receipt for the \$30 amount.
