## NELSON CHRISTIAN COMMUNITY SCHOOL

### 2024-2025 TUITION FEES

#### **Family Deposit:**

A non-refundable deposit holds your child(ren)'s space in the school for the 2024-2025 school year, plus affirms your commitment to NCCS. If (re)enrollment and the deposit is received prior to March 31, 2024 a discount is applied toward the tuition for each child. The \$100 family deposit will also be applied towards student tuition amounts – both regular or early registration.

#### **Payment Methods:**

- 12 or 10 month payment options. 12 monthly payments are from July 2024-June 2025. 10 monthly payments run from September 2024-June 2025.
- Pre-authorized payment established for monthly withdrawals for September 15 and October 1 through June 1. Void cheque and completion of PAW form required.
- 10 post- dated cheques – 1 dated for the first day of school and 9 dated October 1 through June 1 of the school year. (Cheques are payable to Nelson Christian School Society (NCSS)).
- If your account becomes in arrears at any point throughout the school year, 1.5% interest will be added to your tuition fees.

#### **Activity Fee:**

Again, this year, the bulk of the activity fee has been put into the overall tuition cost. By doing this, you will receive a greater tax benefit when tax receipts are issued. The portion of the fee that was added to the tuition will cover ski days, cross country skiing, swimming and other activities that are considered mandatory parts of our curriculum. The new activity fee, which is much lower, will cover teacher-led field trips, busing costs, etc. This will also ensure that throughout the year, the only additional costs coming home are optional things like hot lunch.

#### **School Supplies:**

Students are required to purchase the necessary items for school from their teacher-generated class supply lists.

#### **Tuition Assistance:**

It is the desire of the Nelson Christian School Society that all children will be able to attend Nelson Christian Community School regardless of financial ability; please contact MaryBeth Ringheim ([accounting@chekabc.ca](mailto:accounting@chekabc.ca)) to discuss tuition assistance options for Grades Kindergarten to 9.
